Maths on the Move Challenge

HOME Challenge Sheet

Year 3 and 4

1 Estimate & measure

Find 5 items that are under 30cm. Estimate their length. Now measure them with a ruler. How close were you?

2 3D shapes

Can you find any of the following 3D shapes around your house?
Cuboid, cylinder, pyramid, cone, sphere.
 Which do you have the most of?

3 Count and multiply

Guess how many cupboards and drawers you have in one room of your house.

Now go and count them!

Multiply the two numbers together!

Now visit other rooms. Which room gives you the highest total?

4 Symmetry

Make a symmetrical shape out of items around your house.

5 Roman numeral sticks

Using spaghetti or pencils or lolly sticks can you make all of the numbers from 1 to 50?

6 Stop the clock burpees

Use a stopwatch to time yourself doing 10 burpees. Have five attempts and record the times. What was the fastest time?

What was the difference between the fastest and slowest time?

7

5 minutes to find as many items as possible that begin with the letter **A**

5 minutes to find as many items as possible that begin with the letter **B**

5 minutes to find as many items as possible that begin with the letter **C**

How many items did you find in total?

Which letter of the alphabet do you think would give you the most items?

8 Parallel and Perpendicular

Are you able to find 5 examples of parallel lines and 5 examples of perpendicular lines in your house?

9 How many handles?

Count all of the handles in each room of the house. Plot a bar chart to show which room has the most handles.

10 Maths on the Move number trail

Download and cut out the question cards and follow the answers around the house. [Download.](#)

MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY SATURDAY SUNDAY

**"Start Where You Are. Use What You Have.
Do What You Can" ~ Arthur Ashe**

1 Focus on what you can do rather than what you can't do

5 Send friends a photo of a time you all enjoyed together

6 Take a step towards one of your life goals, however small

7 Let someone you love know how much they mean to you

1 Take a minute to remember what really matters to you and why

2 Do something meaningful for someone you really care about

3 Reconnect with nature today, even if you're stuck indoors

1 What are your most important values? Use them today

12 Be grateful for the little things, even in difficult times

13 Today do something to care for the natural world

14 Show your gratitude to people who are helping to make things better

15 Find out about the values and traditions of another culture

16 Look around you and notice five things you find meaningful

17 Take a positive action to help in your local community

8 Hand-write a note to someone you love and send them a photo of it

19 Find a way to craft what you are doing to give it more meaning

20 Reflect on what makes you feel really valued and appreciated

21 Share photos of 3 things you find meaningful or memorable

22 Ask a loved one or colleague what matters most to them and why

23 Share an inspiring quote with others to give them a boost

24 Do something special today and revisit it in your memory tonight

5 Give your time to help a project or charity you care about

26 Recall three things you've done that you are really proud of

27 Today link your decisions and choices to your purpose in life

28 Tell someone about an event in your life that was really meaningful

29 Think about how your actions make a difference for others

30 Find three good reasons to be hopeful about the future

31 Look up at the sky. Remember we are all part of something bigger
