Foundation Subjects

You must complete at **least one** activity from the first three categories: 'I enjoy being scientific', 'I enjoy learning being creative', 'I enjoy learning about new things'. You have a free choice of the other activities so long as you accumulate at least **forty points**. Once you have successfully accomplished the challenges you want to complete post images of or video yourself completing the activities to our class SeeSaw journal.

Henry VIII was the King of England from 1509 until his death in 1547. He enjoyed keeping active by hunting, archery, running, javelin and playing tennis. Henry VIII also spoke French, Spanish, Latin and some Italian, he was also a good musician. Complete the following activities to learn more about Henry VIII and his life.

	5 points	10 points	15 points	20 points
I enjoy being scientific	States of matter. Click here .	Draw a diagram to show the water cycle. Click here .	Solids, liquids and gases – don't forget to take the quiz at the end to test your understanding. Click here .	Make a list of as many solids, liquids and gases that you can find around the home. Record your findings in a table.
I enjoy being creative	Beatbox using rhythmic patterns. Try recording yourself and upload to seesaw. Click here .	Make a Henry VIII fortune teller, using the stencil shown. Click here .	Make a javelin paper plane and see how far you can throw it. Compete against a family member to see who can throw it the furthest. Click here .	Recreate a picture of Henry VIII. Experiment using different resources from around the home (collage, sketch, paint).
