Foundation Subjects

You must complete at **least one** activity from the first three categories: 'I enjoy reading, writing and speaking and 'I enjoy working with numbers'. You have a free choice of the other activities so long as you accumulate at least **forty points**. Once you have successfully accomplished the challenges you want to complete post images of or video yourself completing the activities to our class SeeSaw journal.

	5 points	10 points	15 points	20 points
I enjoy reading, writing and speaking	Write an acrostic poem for a planet. Click Here	Create a fact file for the Dragon spacecraft include information about the features of the craft and its mission. Click Here	Imagine you are stuck in space or on a distant planet. Write a letter home asking for help. Click Here	Write a set of instructions telling an alien how to pretend to be human and not get caught during a day at school. Click Here
I enjoy working with numbers	Draw a space scene using only 2D shapes. Click Here	Carry out an investigation to record the sun rise and sunset times this week. Draw a graph to show this. Click Here	Work out the distance of each planet from the Sun in miles, kilometres and metres. Click Here	Calculate your weight and the weight of six other people you know on Earth, two other planets and the Moon. Click Here
I enjoy being creative	Create a cartoon strip about a mission to Mars. Click Here	Observe the night sky and note any constellations you see. Click Here	Make a bubble-powered rocket. Click Here	Create a space mobile to hang at home. Click Here
I enjoy being active	Create a game to play outdoors with a space theme.	Create and record a TV programme, teaching people facts about the Solar System. Click Here	Make your own space themed snack. Click Here	Take part in a fitness workout by Joe Wicks (Click Here). Create your own workout routine for your family.
I enjoy working with others	Work with a friend or family member to design an alien. Draw and label any unique features. Click Here	Create a mnemonic to help friends or family members remember the order of the planets. Click Here	Make up a space quiz! You need to know the answers! Test your family of their space knowledge. Click Here	Ask your friends and family to help you create a list with as many song titles that have space-themed words in them.
I enjoy working by myself	Create a timeline of space travel and exploration events. Click Here	What ten things would you take with you on a trip to outer space? Write a list and give a reason for each object. Click Here	Complete a labelled diagram showing the effects that space has on an astronaut's body. Click Here	Create a space-themed board or card game.
