Foundation Subjects

You must complete at **least one** activity from the first three categories: 'I enjoy reading, writing and speaking and 'I enjoy working with numbers'. You have a free choice of the other activities so long as you accumulate at least **forty points**. Once you have successfully accomplished the challenges you want to complete post images of or video yourself completing the activities to our class SeeSaw journal.

	5 points	10 points	15 points	20 points
I enjoy reading, writing and speaking	You are visiting South America for holiday. Write a postcard to your family back in the UK. Click Here	Create a poster to showcase the amazing festivals celebrated in South America. Click Here	Create a travel brochure about a few countries within South America. Click Here	Prepare a presentation for an assembly about deforestation. Click Here
I enjoy working with numbers	Examine the line graph showing the growth of two sunflower plants over 6 weeks. Click Here	Compare countries in South America by their population and present these figures on a bar chart. Click Here	Create a line graph showing the rainfall in Manaus and London in 2018. Click Here	Find the price of 10 items in British Pounds. Find how much these would cost in Brazil, Uruguay, Chile and the Peru by using conversion rates. Click Here
I enjoy being creative	The Aymara Indians of Bolivia weave brightly colored yarn on a simple frame of crossed sticks to make a design called "Ojo de Dios" or "Eye of God". Click here to see how to make your own.	The Amazon rainforest is one of the largest rainforests in the world. It is home to many different species of animals and plants. Make a rainforest diorama to show as many of these as you can! Click Here	South America is a major exporter of coffee to the rest of the world, but did you know that you can also use coffee to paint? Create a coffee painting. Click Here	Molas are cloth panels that form part of a blouse for the Kuna women of Panama. They use a quilting technique called reverse appliqué. Click here to create your own using paper.
I enjoy being active	Use GoogleEarth to go on a virtual tour of South America. What famous buildings or landmarks can you find? Click Here	Find out about the different foods that grow in South America and why. Research your own dish or try one of our recipes with an adult. Click Here	Zumba originates from Colombia and combines Merengue, Salsa, Reggaeton, Mambo, Rumba, Flamenco, Hip Hop and more!	Watch the following video about social distancing. See if you can create something from the video to show someone you love you care about them, without hugging them. A letter, card, a song, a silly dance...?
I enjoy working with others	In Brazil, they speak Portuguese . Discover the names of animals in one of the major languages of South America then teach what you have learnt to a friend.	Explore poetry with a repeated pattern and write a poem based on the rainforest then perform it to someone in your household. Click Here	With someone in your household, research about deforestation and its advantages and disadvantages. Click Here	Create Top Trump cards of South America include landmarks, capital, cities, rivers, animals, sports, leisure then play a game with a friend. Click Here
I enjoy working by myself	Explore which countries are in South America and their different cultures. Click here for research ideas.	Listen to the story 'The Vanishing Rainforest' by Richard Platt. Predict, discuss or retell the story as a comic strip. Click Here	Find out about some of the fascinating plants that grow in the Amazon Rainforest Click Here	Investigate how houses and life in 'favelas' are different from your own! Click Here
